Veynuus Company Profile 2026

An overview of Veynuus: the six practices, the markets we work in, and how engagements are scoped and staffed.

WHAT THIS DOCUMENT COVERS

- 6 Practices**
Communications, research, financial advisory, trade services, human capital and governance advisory, run as one firm rather than six.
- 3 Core markets**
Somalia, Kenya and Nigeria, with engagements extending into neighbouring markets across the Horn of Africa.
- UN Client types**
United Nations agencies including IOM, UNMAS and FAO, federal and state ministries, and privately held companies.
- W Ownership**
The firm is female-founded and female-led, and recruits and promotes on that basis in a market where few advisory firms do.
- 1 Standard**
Work is built to be executed. If an output cannot be used the week after handover, it is not finished.

STATUS

This profile is maintained as a current description of the firm. For the most recent version, or for a capability statement tailored to a specific procurement, contact us directly.
